[Reflections on Hamvention 2017](#)

I cannot overstate how little I miss the nasty old Hara. Though I knew where things were and like an old pair of shoes, there was a certain comfort in familiarity... the place simply sucked.

[The portable solar power station: You CAN have it both ways \(sort of\)](#)

Many hams would like to have it both ways: Powerful enough to do something besides charge batteries or push a QRP radio while compact and light enough to hit the road.
